

U of M AFSCME
Contract Negotiations

Don't be SOL—Stand Up for your Standard of Living

Are you having trouble making ends meet? Is your standard of living slowly falling? Want to know why? Join us at our noon info meetings to find out how inflation has impacted the value of your job since 2002. Also, find out what we can do about it in this round of negotiations.

These meetings are so important that we are in the process of scheduling one in almost every building on campus. Check the calendar on our web page www.afscme3800.org. We are setting up new meetings all the time.

Pizza will be served at these meetings. Please RSVP to Marie Milsten Fiedler, m-fied@umn.edu so we will know how much pizza to order. Also, please indicate which meeting you are attending.

All meetings start at noon and end at 1:00 pm unless otherwise listed. If you cannot make it by noon, come anytime. We welcome late arrivals.
